The Problem

Finding a Trusted Laundry

Customers struggle to identify trustworthy laundries with transparent pricing, quality service, and reliable reviews.

Laundry Takes Too Much Time

Multiple trips and high delivery minimums make a simple chore inconvenient.

Limited Order Tracking

Customers lack real-time updates and peace of mind throughout the process.

Industry Insight

39.1% of laundry operators cited late or missed deliveries as the most common customer complaint.

Source: American Laundry News (2021).

The Solution

Lumah connects customers with trusted laundries through one seamless app for pickup, live tracking, and doorstep delivery.

17 Schedule Pickup

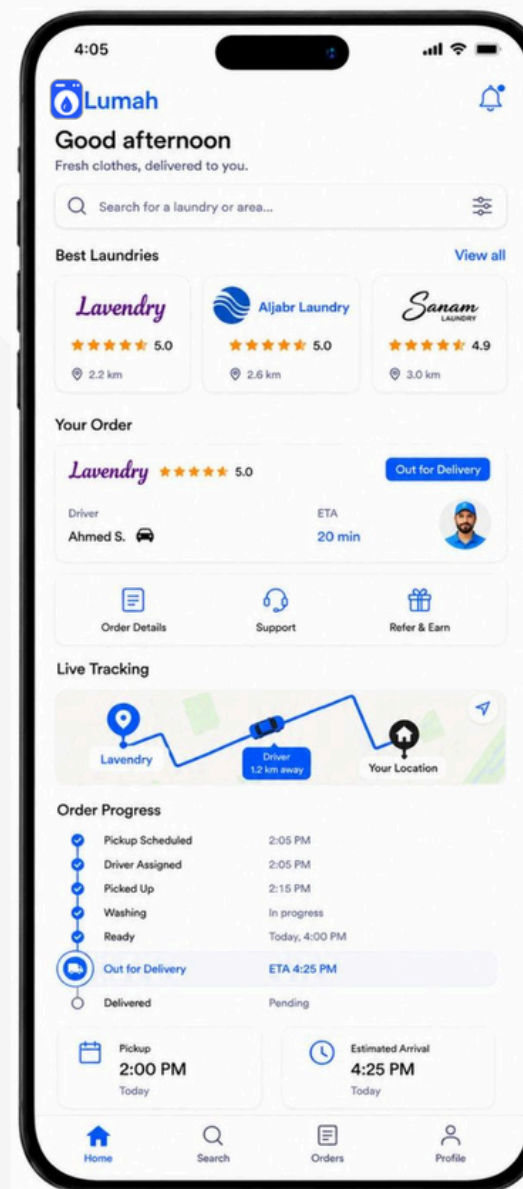

Choose a Trusted Laundry

Track Your Order Live

Doorstep Delivery

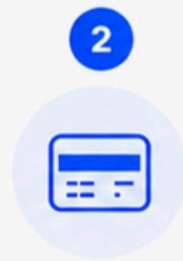

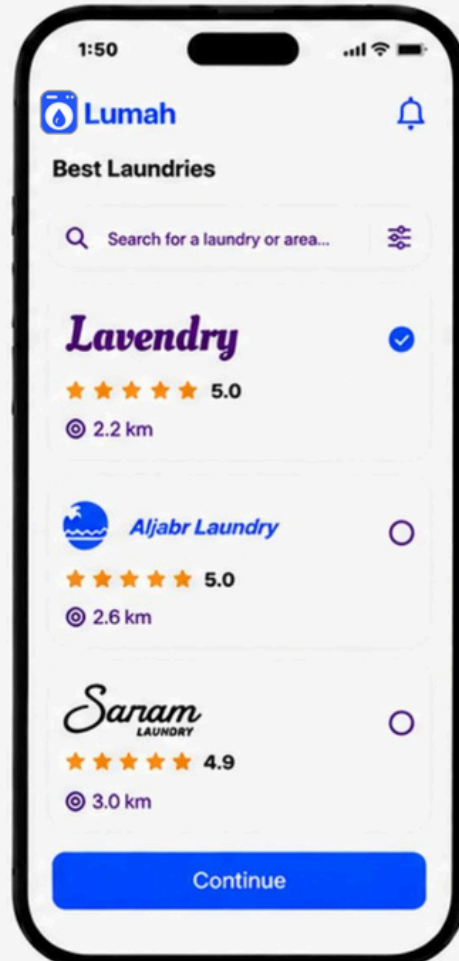

How It Works

Four simple steps
from pickup to delivery.

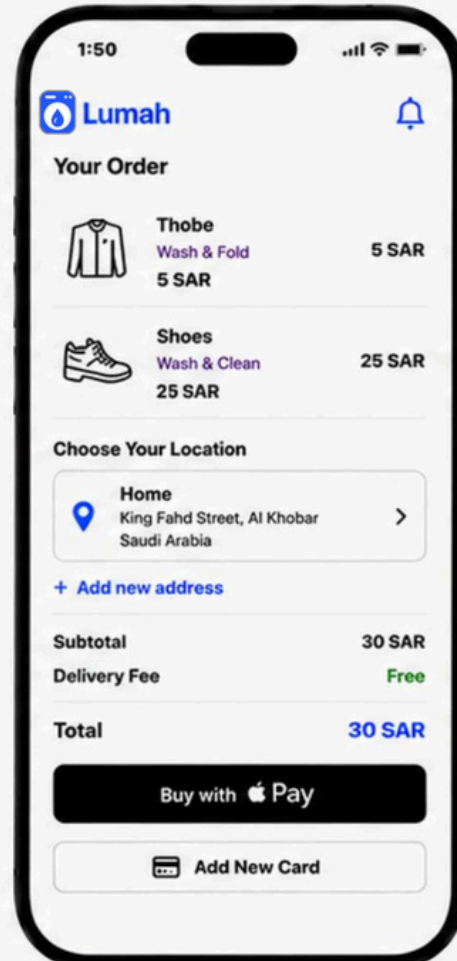

Choose a Laundry

Browse and compare trusted laundries near you.

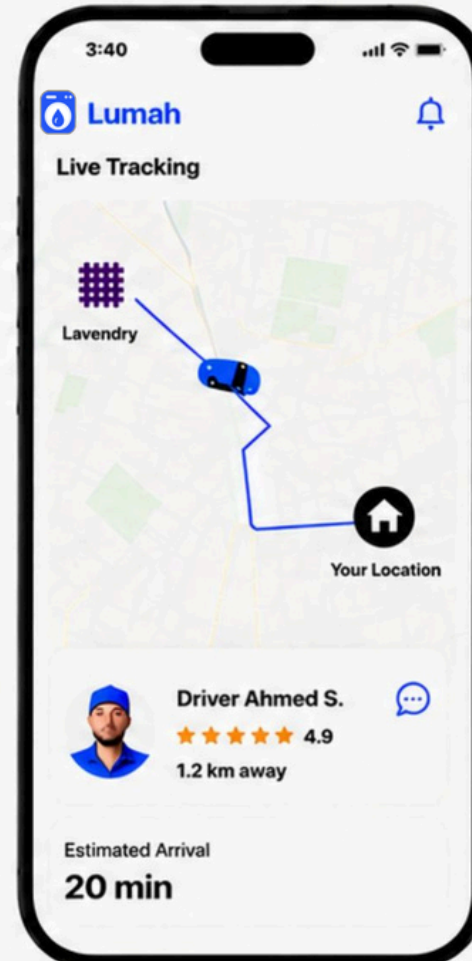

Payment

Review your order and proceed to secure payment.

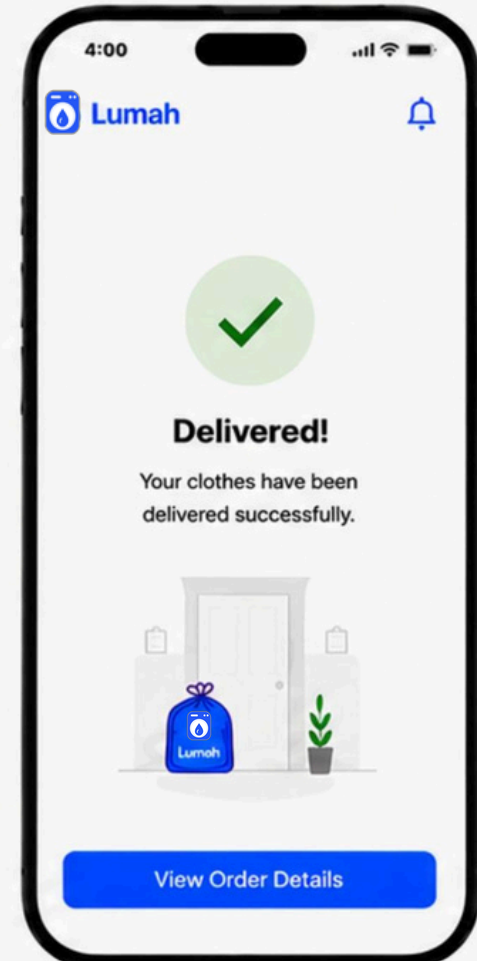

Track Your Order

Track your order in real time from pickup to delivery.

Delivered

We deliver clean clothes straight to your door.

Target Market

Who our customers are, our market size, and our key segment.

Families

Large laundry loads; value convenience and time savings.

Working Professionals

Busy schedules; value pickup and delivery services.

University Students

Limited transportation; value affordable and convenient laundry services.

Our Key Segment

Busy families and working professionals in Dammam, Khobar, and Dhahran who value convenience and time savings.

Market Size Estimate (Launch Focus)

TAM

Total Addressable Market
Saudi Arabia Laundry & Dry Cleaning Market
~ SAR 440 Million
(≈ USD 118 Million) in 2024

How TAM was estimated

Saudi Arabia Laundry & Dry Cleaning Market
 $\approx \text{USD } 118\text{M} \times 3.75 \text{ SAR/USD}$
 $= \approx \text{SAR } 440\text{M}$

≈ 2.3 Million Potential Residents

Across Dammam, Khobar, and Dhahran

This is our initial geographic launch population and the addressable base for Year 1.

Local Focus. Strong Start. Sustainable Growth.

Launching in Dammam, Khobar, and Dhahran before expanding across Saudi Arabia.

Competition & Our Edge

Who else solves this and why we win.

Key Competitors in Dammam, Khobar & Dhahran

Competitor	What They Offer	Lumah's Advantage
 CleanLine 📍 Dammam, Khobar	• Pickup & delivery • 24-hour service • Fixed-price bags (Wash & Fold, Ironing, Bed & Bath)	 Compare laundries instead of just one. More choice & better value.
 Laundryheap 📍 Dammam, Khobar, Dhahran	• Premium laundry service • Wash & fold, dry cleaning, ironing, express • 24-hour service	 Local focus with more laundry choices and competitive pricing. Transparent pricing.
 Dari 📍 Dammam, Khobar, Dhahran	• Pickup & delivery • Fixed-price bag model • 24-hour service • Wide range: clothes, delicates, linens, blankets	 More flexibility & savings for customers. Subscription plans for extra savings.

Why Lumah Wins

Compare multiple laundries in one app
Compare prices, services & delivery time.

Choose the best price & ratings
Real reviews help you make the right choice.

Flexible pickup & delivery scheduling
Pick a time that works best for you.

Real-time order tracking
Know where your order is, anytime.

Subscription savings
Special plans for frequent customers.

Supports local laundries
Supports local laundries with greater customer choice.

Unlike single-brand laundry apps, **Lumah is a marketplace** that lets customers **compare laundries, prices, and ratings** in one place.

FUNDING ASK

We need the right capital to launch, grow, and dominate the laundry delivery market.

WE ARE RAISING
SAR 250,000

WHAT WE NEED IT FOR

App Development & Launch
(Startup Costs) **SAR 210,000**

Working Capital **SAR 32,528**
(Deepest cumulative deficit – end of Q2)

Cash Reserve **SAR 7,472**

Your investment will help us build the leading
laundry delivery platform in the Eastern Province.

WHERE WE WILL RAISE IT

Option 1
Founders &
Family Capital

- No interest and no equity surrendered
- Full control remains with the founders
- Limited amount available

OR

Option 2
Monsha'at Accelerator /
Incubator

- Non-dilutive funding
- Mentorship & business support
- Access to networks and market linkages
- Competitive program requirements

OR

Option 3
Angel Investor

- Capital + mentorship + valuable network
- Higher growth expectations
- Partial equity trade-off

Recommended: Monsha'at + Founders & Family

Our preferred funding mix.

**WHY THIS IS THE
RIGHT INVESTMENT**

Large, underserved
market with strong
demand

Asset-light model
with scalable
unit economics

Low risk with
outsourced delivery
and low fixed costs

Clear path to profitability
in Year 1 and long-term
growth potential

**WHY WE ARE
THE RIGHT TEAM**

Complementary Skills

We cover business, operations, technology, marketing, and finance end-to-end.

Local Insight

We understand the Saudi market, customers, and laundry & courier needs.

Founder Mindset

We are all builders committed to solving real problems.

Execution Focused

We plan carefully, track metrics, and execute with discipline.

Built for Scale

A lean team with the right systems to grow fast and sustainably.

We're not just building an app, we're building the future of laundry in the Eastern Province.
Together, we will make laundry simple, reliable, and accessible for everyone.
